FOR IMMEDIATE RELEASE

TOMAHAWK TECHNOLOGIES INVITED TO PRESENT AT OCA PA CONFERENCE

CARLETON PLACE, CANADA– Tomahawk Technologies, a leading provider of intuitive web based parking and office management solutions announced today that Tomahawk Technologies has been invited to present at the Ontario Campus Parking Association (OCA PA) annual meeting being held June 5th at the University of Ottawa, in Ottawa, Canada.

“We are very excited to have been asked to present our ParkAdmin solution to the members of the OCA PA”, said Robin Mulloy, President of Tomahawk Technologies. “We feel that this is in recognition of ParkAdmin, the world’s first web based permit management solution.”

About Tomahawk Technologies

Tomahawk Technologies Inc. is a leading provider of intuitive web based parking and office management solutions. Tomahawk’s flagship solution, ParkAdmin, is the world’s first web based permit management solution designed from the bottom up for university and college parking requirements. For more information visit www.parkadmin.ca or call 1-888-606-5739.

About OCA PA

The Ontario Campus Parking Association is a collective of professional managers and administrators specializing in college and university parking operations in the Province of Ontario, Canada. The OCA PA is a non-profit entity. Administration of the group is done on a volunteer basis. Membership is open to all campus parking establishments in Ontario.
